

ADVANTAGES SCHOOL INTERNATIONAL

US High School Dual Diploma

The **Advantages School International (ASI)** US Dual Diploma program allows students to work toward an US high school diploma in conjunction with their regular studies. Students will take 6 courses combined with their regular studies to complete the program. ASI accepts 14 credits earned at the in country school with additional courses completed online.

Accessible 24 hours a day!

With ASI, not only do students receive a diploma from their local school, they also earn a second US diploma upon completion of all ASI online coursework.

Student Benefits

- Increased Mastery of English
- Guaranteed meeting of US College Entrance Requirements
- Elimination of the international transcript evaluation fees
- US Domestic College Codes on transcripts eases the application process
- Demonstration of academic excellence on university applications equals a stronger submission
- Statistically earn a higher university GPA
- Increased student comfort and understanding of expectations in a US academic environment
- Letters of recommendation from a domestic high school on US college applications
