Adult Learners

ADVANTAGES School International offers adult learners a comprehensive online alternative to achieving a high school diploma quickly and cost effectively. Coursework is completely online—no books or any additional supplies are necessary. Our curriculum is dynamic and interactive and allows for learners to go to school anytime, anywhere.

Our program offers a wide variety of programming that meets the learner's remaining graduation requirements. Our staff works with each adult learner to ensure proper placement into courses that assist in achieving graduation goals quickly.

With low monthly tuition, enrollment and course completion rates work within the learners current or busy schedule. Open enrollment allows learners to start anytime.

Once enrolled, learners can access courses anytime of day or night, and can work at their own pace. If more time is needed to complete a course, schedule accommodations can be provided. ADVANTAGES School International is designed to work within each learners schedule with plans that suits each learner's lifestyle.
