ASSIST Feature Updates

Smart Address

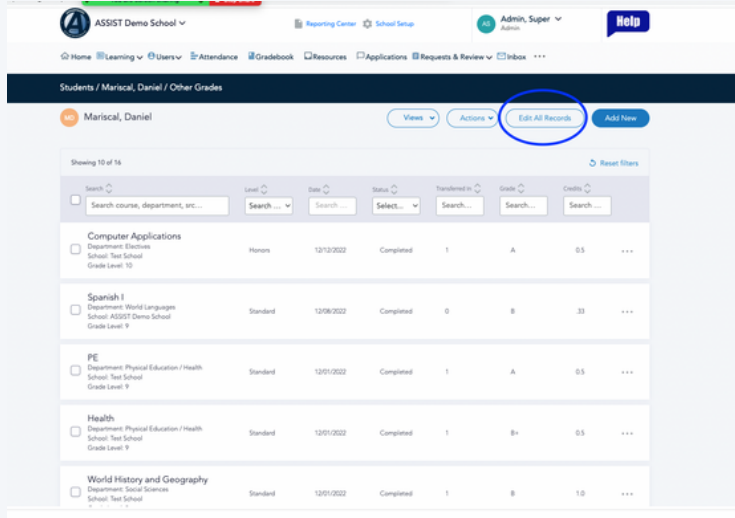

When creating an external or internal ASSIST application, the state and/or province will auto populate based on the country selected.

The screenshot displays a registration form with the following fields:

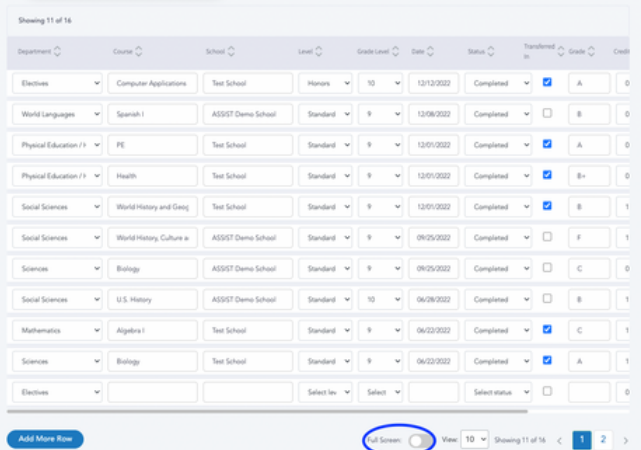

- First Name* (text input)
- Last Name* (text input)
- Middle Name (text input)
- Goes By (text input)
- Birthday* (MM/DD/YYYY text input)
- Gender* (radio buttons for Male)
- Address Line 1* (text input)
- Country* (dropdown menu, currently showing United States)
- State/Province* (dropdown menu, currently showing "Please select State" and open to a list of states: AK, AL, AR, AS, AZ, CA, CO, CT)
- City* (text input)
- Email* (text input)
- Mobile Number* (text input with a country code dropdown showing +1)
- Grade Level* (dropdown menu, currently showing "Select...")
- How Did You Hear About Us* (dropdown menu, currently showing "Select...")
- Program Of Interest?* (dropdown menu, currently showing "Select...")
- Courses Or Grade Level Applying For* (text input)

Other Grades Expanded View

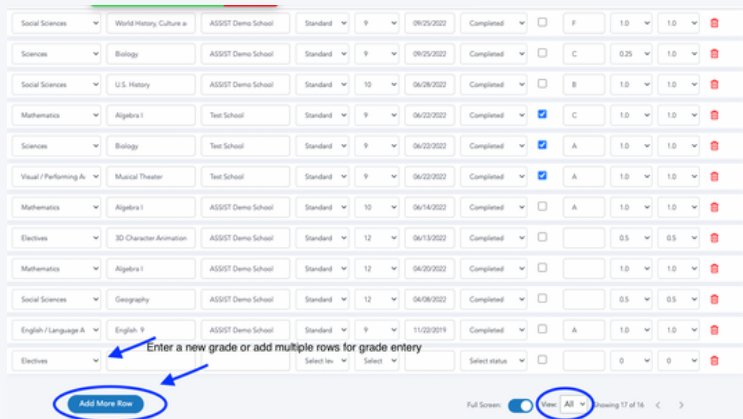

In the Other Grades view, click Edit All Records.

Scroll to the bottom and toggle to Full Screen.

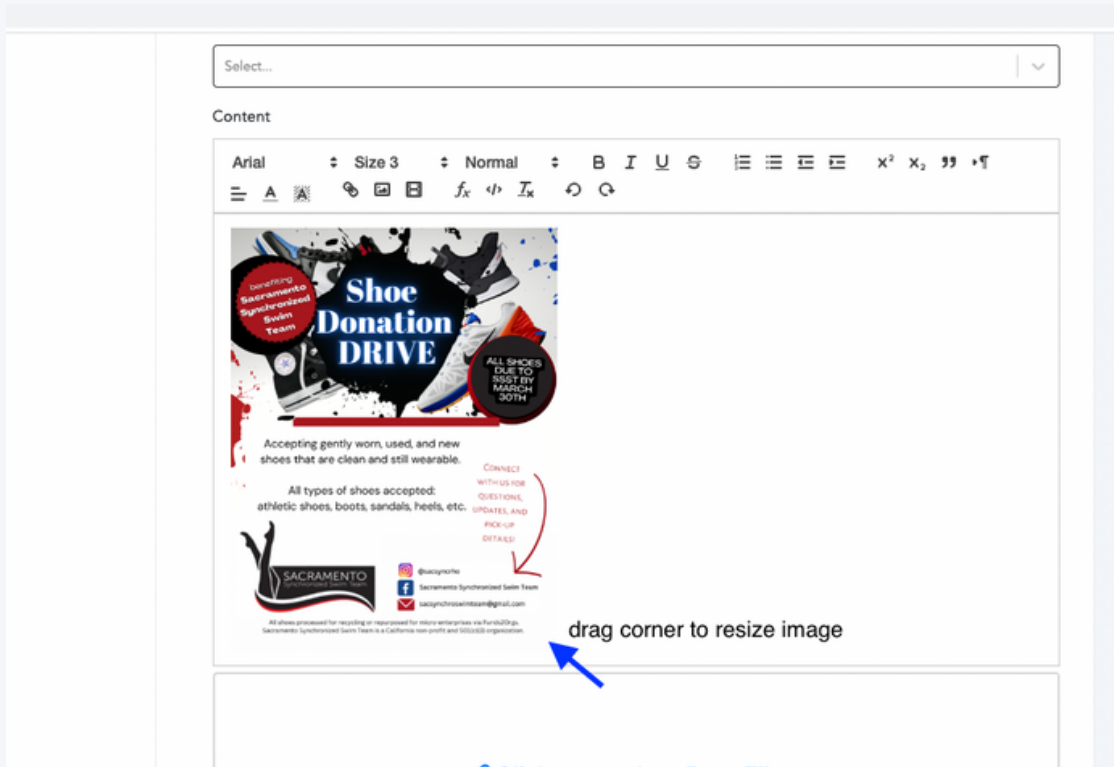

View, edit, and/or add other grades on one screen.

Inbox Image Resizing

After inserting an image into the ASSIST inbox, the user can resize the image by dragging the bottom right corner of the image.

Custom Credit Values

For Registrars Only

When entering or editing Other Grades, the Registrar can pre-select from credit values listed or enter a custom credit amount
