

Adult School Program

Adult Learners

ADVANTAGES School International offers adult learners a comprehensive online alternative to achieving a high school diploma quickly and cost effectively. Coursework is completely online—no books or any additional supplies are necessary. Our curriculum is dynamic and interactive and allows for learners to go to school anytime, anywhere.

Our program offers a wide variety of programming that meets the learner's remaining graduation requirements. Our staff works with each adult learner to ensure proper placement into courses that assist in achieving graduation goals quickly.

Offering low monthly tuition, **ADVANTAGES** enrollments and course completion rates work with our learners' busy schedule. Open enrollment allows learners to start anytime. Once enrolled, learners can access courses any time, day or night, working at their own pace.

ADVANTAGES makes it easy to go to school on YOUR schedule
