

ADVANTAGES School International

Personalized Instruction for Every Learner!
ADVANTAGES provides the most comprehensive and flexible accredited online K-12 education for today's learners.

THINK. LEARN. REALIZE.

ADVANTAGES School International (ASI) is a fully-accredited online private school focused on giving students every advantage on their path to becoming a responsible, successful global citizen.

ADVANTAGES provides education that keeps the individual student at the center of their learning. Our program contains embedded scaffolds, instruction and support making our content rigorous, and accessible to all students everywhere, with supported learning at their level of academic readiness.

ADVANTAGES has been providing quality education to students everywhere for nearly two decades. Our students and school partners span the globe.
