## Student Batch Update Phase 1

This feature allows users to update object information directly without any technical assistance. This feature is accessible from the 3-dot menu on the Administrator's home page. Phase 1 of this feature allows the user to batch update graduation date and grade level for students.

## Consolidated Staff Reassignment

This feature is to reassign events, sections, resources from one teacher to another. The feature is useful in the case of new staff members or terminated staff members. This feature is accessible from the 3-dot menu on the Administrator's home page. Please note that a security tag is required: "Reassign Staff". Please contact your success manager to enable this feature.

## New User Profile Designs

The user profile views of School Administration, Teacher and Parent have been upgraded to show more information and for consistency with Student Profile view.

### Teacher

The screenshot shows the profile for Jane Roberta Thomas. At the top right are buttons for 'View Roles', 'Views', and 'Actions'. The profile header includes a photo, name, and a 'Message Jane' button. Below this is a 'Status: Active' indicator. The main content is divided into several sections: 'Teacher Information' with fields for Username, Teacher Number, Gender, Email, and Teacher Since; 'Departments' with icons for Electives, English / Language Arts, Mathematics, Physical Education / Health, Sciences, Social Sciences, Visual / Performing Arts, and World Languages; 'Schools' with a list of three schools and a count of 3; 'Students' with a grid of student avatars and a count of 4; 'Advisees' with a grid of colored circles representing advisees and a count of 11; and 'Local Contracted Load' with a donut chart showing 33% and a 'View global' link. A 'Hide Detailed information' link is at the bottom right.

### School Administration

The screenshot shows the profile for Demo Administration. At the top right are buttons for 'View Roles', 'Views', and 'Actions'. The profile header includes a photo, name, and 'Status: Active'. The main content is divided into several sections: 'Administrator Information' with fields for Username, ID, Account Creation Date, Email, Date of birth, Expiration date, and Comments; 'Schools' with a list of three schools and a count of 3; 'Advisees' with a grid of colored circles representing advisees and a count of 17; and 'Registrar: Associated' with a 'Signature' field containing a cursive signature and a 'Photo' field containing a photo of a person's torso.

## Parent

The screenshot shows a parent profile for Linda Mariscal. At the top right, there are buttons for 'Back', 'View Roles', and 'Actions'. The profile header includes a circular avatar with 'M,L' and the name 'MARISCAL, Linda', with a status of 'Active'. Below this is a 'Parent Information' section containing fields for Username, ID, Phone, Goes by, Account Creation Date, Email, Type, and Expiration date. Underneath are three summary cards: 'Schools' (2 items), 'Linked Students' (2 items), and 'Address' (0 items). A 'Hide Detailed information' link is at the bottom right of the profile card. Below the profile card, there is a 'Students' section with a 'Student Actions' button.

## Progress legend added for enrollment screen

The legend allows the user to see the letter grade for the corresponding progress color under the student enrollment

The screenshot shows a student enrollment screen. At the top right is a search bar. Below it, there is a filter section with 'Showing 2 of 2' and 'Filter: Status'. A legend for course grades is shown: A, B course grade (green), C course grade (yellow), and D, F course grade (red). Below the legend is a table with columns for checkboxes, course icons, course names, student avatars, and various progress metrics.
